

"I want to support the local arts."

You can do that...

and market your product, service, or cause
at the same time.

The Purpose of Graffiti Magazine is to Celebrate and Support The Arts.

Founded in January 2023, we are a nonprofit organization that makes a free, bi-monthly publication featuring creative works such as Poetry, Fiction, Nonfiction, Drawings, Photography, etc.

We print our newsprint, tabloid-style magazine and then distribute it to popular, people-gathering locations — like coffeehouses, theaters, bookstores, and shops — in Lane County, Oregon.

We invite you to advertise in our magazine and support the effort to foster a community of creativity.
